Objectives

- To clearly define the team's and individuals' objectives
- To put the theory of high performing teams into practice
- For teams to develop throughout the day based on interim feedback sessions with review & reflection
- A final feedback session enables teams to identify development needs to transfer back to the workplace

Overview

- Our L&D team enables your teams to give and receive feedback on their team skills and performance and tackle the core team competencies in a safe environment
- We ask for individual objectives prior to the event so we can be clear about people's expectations and ensure their objectives are met throughout the day
- Our L&D team works with your teams observing and facilitating on behaviour and pushing the team to operate as a high performing team
- Task and behaviourally scored

Comments from clients

- "Excellent feedback with help to apply learning back at work"
- "Very good at prompting us for the right answers in the review sessions, especially useful was the session covering similarities with the work place"
- "We have time to make mistakes and learn from them. We put the "theory" into "practice"
