Objectives

- Our aim is to provide an enjoyable, challenging and fun event. Challenge Innovate has been specifically developed to offer your teams a chance to learn together and have enjoyment as a team.

Overview

- A breath of fresh air. Take time away from the normal working environment to rediscover the essential elements of team working. Thinking outside the box
- Challenge Innovate is a fun and rewarding activity comprising a series of mental tasks to motivate and energise teams
- Work together to solve the elements of the fiendish conundrum. Is your team up to the challenge?
- Communication, co-operation, planning, listening and awareness skills are required
- No one stands and watches!
- Everyone in your team is involved, both intellectually and physically
